

# Using scenario-guided stakeholder-generated policy recommendations to improve the draft Tanzania National Livestock Policy (NLP)

26<sup>th</sup> April 2017, Nashera Hotel, Morogoro, Tanzania

## Policy formulation workshop: agenda

### Objectives

1. Give an overview of the project so far, focusing on the scenario-guided review process
2. Explanation of scenario-guided review methodology
3. Sharing prioritized policy recommendations
4. Translating recommendations into concrete NLP policy objectives

### Outputs

1. Proposed changes to improve the NLP on basis of the scenario-guided recommendations

### Agenda

#### Wednesday 26 April
